Early registration will help us to enrich your camp experience.

- Knowing the number and ages of children will help us to plan and staff VBS and the Teen Program appropriately.
- Knowing the numbers of those interested in meal plans will help the Dining Hall Team prepare sufficient meals.
- Any pre-payments will assist with camp cash flow.
- Long lines for registration on Opening day will be eliminated.

If you are interested in helping out during Family Camp (bookstore, dining hall, rest rooms, counselors, field trips, etc.), please contact an Area Leader.
